

Priority SDGs

(2023-2024)

4 QUALITY EDUCATION

Quality Education

Extensive workshops, training sessions, and academic conferences were conducted to enhance students' academic, professional, and research skills. The initiatives aimed to align education with labor market needs and foster lifelong learning.

5 GENDER EQUALITY

Gender Equality

presentation on gender-neutral language in ESL promotes inclusive teaching practices. It highlights the need for equality and fairness in language education content.

8 DECENT WORK AND ECONOMIC GROWTH

Decent Work and Economic Growth

Events promoted professional ethics, employability skills, and workforce readiness. Students were guided on career development, entrepreneurship, and job market integration.

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

Industry, Innovation, and Infrastructure

Workshops introduced students to emerging technologies like Arduino and sustainable engineering practices. The goal was to foster innovation, practical learning, and infrastructure awareness.

10 REDUCED INEQUALITIES

Reduced Inequalities

To help give your audience an overview, this section can include a brief description of the goal, its relevance to your sector or industry, and the specific sub-targets your organization is addressing.

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

Peace, Justice, and Strong Institutions

To help give your audience an overview, this section can include a brief description of the goal, its relevance to your sector or industry, and the specific sub-targets your organization is addressing.

17 PARTNERSHIPS FOR THE GOALS

Partnerships for the Goals

Collaborative forums, conferences, and reading programs promoted institutional and regional partnerships. They supported knowledge sharing, sustainable development, and community engagement.

SDG 4: Quality Education

Name of Event/Activity	Name of Department	Activity Date/Year	Description of Activity
